

CADAVERIC WORKSHOP on CRANIAL ENDOSCOPY

14th-15th October 2026

Hands-on Cadaveric Workshop on Extended Endoscopic Skull Base Approaches

Topics to be covered

- Endoscopic Transsphenoidal Approach
- Optical Nerve Decompression
- Extended Endoscopic Skull Base Approaches
- Endoscopic Transpterygoid Approach
- Skull Base Reconstruction
- Anatomical Considerations for Endoscopic Access
- Complication Management in Endoscopic Surgery
- Minimally Invasive Skull Base Surgery Advances
- Hands-on Cadaveric Practice

Course Faculty

Prof. BS Sharma
Director of Neurosciences, MGMCH Jaipur

Dr. Ayyadurai R
Senior consultant Neurosurgeon, Yashoda Hospital, Hyderabad

Limited Hands-on Seats: Only 12 are Available

About Workshop

The Microneurosurgery Society, a premier academic body dedicated to advancing microsurgical and endoscopic neurosurgical techniques, proudly announces the Hands-on Cadaveric Workshop on Cranial Endoscopy.

This intensive two-day hands-on cadaveric workshop is designed exclusively for skull base surgeons and will be held on 14–15 October 2026.

Workshop Objective:
This workshop offers a unique opportunity for participants to strengthen their endoscopic skills and gain confidence in cranial endoscopic procedures in a controlled academic environment.

Workshop Director
Dr. Deepak Agrawal

Local Organizing Committee

Prof. Dr P S Chandra
HOD . Neurosurgery, AIIMS, New Delhi
Chairman of workshop

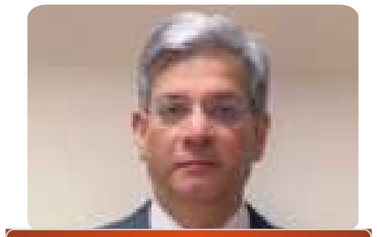

Prof. Dr Deepak Agrawal
Prof. Neurosurgery, AIIMS, New Delhi
Workshop Director

Prof. Dr Dattaraj Sawarkar
Prof. Neurosurgery, AIIMS, New Delhi
Organizing secretary

Cadaveric Facility (ACSST)

Prof. Kamran Farooque
Chief, JPNATC & Chairman ACSST Facility
Chairman of ACSST Lab

Prof. Vijay Sharma
Faculty Incharge ACSST

Executive Committee

➤ Prof. Ashish Suri	➤ Prof. Deepak Gupta
➤ Prof. G.D. Satyarthee	➤ Prof. Vivek Tandon
➤ Prof. Pankaj Kumar Singh	➤ Prof. Sachin A. Borkar
➤ Prof. Shashwat Mishra	➤ Prof. Amandeep Kumar Jagdevan
➤ Prof. Rajeev Sharma	➤ Prof. Shweta Kedia
➤ Prof. Kanwaljeet Garg	➤ Prof. Manoj Phalak
➤ Dr. Ramesh Doddamani	➤ Dr. Amol Raheja
➤ Dr. Satish Kumar Verma	➤ Dr. Rajesh Meena
➤ Dr. Santanu Kuma Bora	➤ Dr. Gour Surya Sri Krishna
➤ Dr. Rahul Ray	➤ Dr. Sivaraman Kumarasamy

Key Highlights

- Hands-On Training: Limited seats
- Learn endoscopic skull base surgeries.
- Covering endoscopic approaches and reconstructions

Event Category	Fees
Day-1 (Basic) – Cadaveric Hands-on	₹16,000
Day-2 (Advanced) – Cadaveric Hands-on	₹16,000
Both Day-1 & Day-2 – Hands-on Cadaveric	₹30,000
Both Day-1 & Day-2 – Observer Cadaveric	₹5,000
