SCIENTIFIC PROGRAM

14th -15th October 2026

Hands-on Cadaveric Workshop on

Cranial Endoscopy - 14–15 October 2026

SCIENTIFIC PROGRAM

Chairman of the Workshop

PROF. (DR) P S CHANDRA
HOD, Department of Neurosurgery, AIIMS, New Delhi.

Chairman of ACSST Lab

PROF. (DR) KAMRAN FAROOQUE
Chief, JPNATC & Chairman ACSST Facility, AIIMS, New Delhi.

Workshop Director

PROF. (DR) DEEPAK AGRAWAL
Professor, Department of Neurosurgery, AIIMS, New Delhi

Organizing Secretary

PROF. (DR). DATTARAJ SAWARKAR
Professor, Department of Neurosurgery, AIIMS, New Delhi

Workshop Faculty

PROF. BS SHARMA
Director of Neurosciences, MGMCH Jaipur

DR. AYYADURAI R
Senior consultant Neurosurgeon, Yashoda Hospital, Hyderabad

JPNATC FIRST FLOOR, New Seminar Hall, AIIMS Trauma Centre, New Delhi

14–15 October 2026 (2 Days)

Hands-on Cadaveric Workshop on Cranial Endoscopy - 14-15 October 2026

SCIENTIFIC PROGRAM

DAY 1 — 14TH OCTOBER 2026

Time	Session Detail
8:01 to 8:10 am	Registration
8:10 to 8:20 am	PRETEST (10 questions)
8:20 to 8:25 am	Welcome Address by
8:25 to 8:30 am	Introduction to the Course-
8:30 to 9:00 am	Inauguration followed by Breakfast
9:01 to 10:30 am	**Lectures (15 min)** **Moderators:** • **9:01 to 9:15 am:** Basic endoscopic anatomy of Nose, sphenoid sinus and skull base • **9:15 to 9:30 am:** Transseptal endoscopic approach to sella/suprasellar region • **9:30 to 9:45 am:** Endoscopic Endonasal Transsphenoidal Approach to Sella • **9:45 to 10:00 am:** Endoscopic approach to orbit • **10:00 to 10:15 am:** Optic Nerve decompression: Tips and tricks – • **10:15 to 10:30 am:** Endoscopic excision of brain tumors
10:30 to 1:30 pm	**Demonstration from cadaver lab (30 min each)** **Moderators:** • **10:30 to 11:30 am:** Transseptal approach to sella • **11:30 to 12:30 pm:** Endoscopic Endonasal Transsphenoidal Approach to Sella (Nasal stage after flap creation, Sphenoidal stage, Sellar stage and dural stage) • **12:30 to 1:30 pm:** Endoscopic approach to orbit and optic nerve
1:00 to 2:00 pm	Lunch
2:00 to 5:00 pm	**Delegates Hands-on session (03 hours)** **Moderators:** All Faculty
4:00 to 5:00 pm	High tea
5:00 to 5:10 pm	POSTTEST (10 questions)
5:10 to 5:20 pm	Feedback

Hands-on Cadaveric Workshop on

CRANIAL ENDOSCOPY

14-15 October 2026

SCIENTIFIC PROGRAM

DAY 2 – THURSDAY, 15 OCTOBER 2026

Time	Session Detail
8:25 to 8:30 am	Brief overview of the previous day–
8:30 to 10:30 am	**Lectures (15 min)** **Moderators:** • 9:01 to 9:15 am: Endoscopic third ventriculostomy • 9:15 to 9:30 am: Extended Endoscopic Endonasal Approaches to Anterior Skull Base • 9:30 to 9:45 am: Extended Endoscopic Endonasal trans clival approach • 9:45 to 10:00 am: Endoscopic approach to Lateral Skull base (Transpterygoid approach) • 10:00 to 10:15 am: Skull base reconstruction and complication avoidance • 10:15 to 10:30 am: Approach to CSF Leaks
10:00 to 10:30 am	Breakfast
10:30 to 1:30 pm	**Demonstration from cadaver lab (30 min each)** Moderators: • 10:30 to 12:00 pm: Extended Endoscopic Endonasal Approaches to Skull Base (Trans-tubercular, trans-planum and trans clival Approach- bony and dural stage) • 12:00 to 1:30 pm: Lateral Skull base approach (Transpterygoid approach)
1:00 to 2:00 pm	Lunch
2:00 to 5:00 pm	**Delegates Hands-on session (03 hours)** Moderators: All Faculty
4:00 to 5:00 pm	High tea
5:00 to 5:10 pm	POSTTEST (10 questions)
5:10 to 5:20 pm	Certificate distribution
5:20 to 5:30 pm	Feedback

VENUE

JPNATC FIRST FLOOR, New Seminar Hall,
AIIMS Trauma Centre, New Delhi
