Hands-on Cadaveric Workshop on Cranial Endoscopy – 14th-15th October 2026

SCIENTIFIC PROGRAM

Chairman of the Workshop: Prof. (Dr) P S Chandra, HOD, Department of Neurosurgery, AIIMS, New Delhi.

Chairman of ACSST Lab: Prof. (Dr) Kamran Farooque, Chief, JPNATC & Chairman ACSST Facility, AIIMS, New Delhi.

Workshop Director: Prof. (Dr) Deepak Agrawal, Professor, Department of Neurosurgery, AIIMS, New Delhi.

Organizing Secretary: Dr. Dattaraj Sawarkar, Professor, Department of Neurosurgery, AIIMS, New Delhi.

Workshop Faculty:

Prof. (Dr) BS Sharma, Professor, Department of Neurosurgery. MGUMST, Jaipur.

Day 1 (WEDNESDAY) 14th October, 2026:

Cadaveric Workshop

Venue: JPNATC FIRST FLOOR, New Seminar Hall, AIIMS Trauma Centre, New Delhi

Time	Session Detail
8:01 to 8:10 am	Registration
8:10 to 8:20 am	PRETEST (10 questions)
8:20 to 8:25 am	Welcome Address by
8:25 to 8:30 am	Introduction to the Course-
8:30 to 9:00 am	Inauguration followed by Breakfast
9:01 to 10:30 am	**Lectures (15 min)** **Moderators:** • **9:01 to 9:15 am:** Basic endoscopic anatomy of Nose, sphenoid sinus and skull base • **9:15 to 9:30 am:** Transseptal endoscopic approach to sella/suprasellar region • **9:30 to 9:45 am:** Endoscopic Endonasal Transsphenoidal Approach to Sella • **9:45 to 10:00 am:** Endoscopic approach to orbit • **10:00 to 10:15 am:** Optic Nerve decompression: Tips and tricks – • **10:15 to 10:30 am:** Endoscopic excision of brain tumors
10:30 to 1:30 pm	**Demonstration from cadaver lab (30 min each)** **Moderators:** • **10:30 to 11:30 am:** Transseptal approach to sella • **11:30 to 12:30 pm:** Endoscopic Endonasal Transsphenoidal Approach to Sella (Nasal stage after flap creation, Sphenoidal stage, Sellar stage and dural stage) • **12:30 to 1:30 pm:** Endoscopic approach to orbit and optic nerve
1:00 to 2:00 pm	Lunch
2:00 to 5:00 pm	**Delegates Hands-on session (03 hours)** **Moderators:** All Faculty
4:00 to 5:00 pm	High tea
5:00 to 5:10 pm	POSTTEST (10 questions)
5:10 to 5:20 pm	Feedback

Day 2 (THURSDAY) 15th October, 2026:
Cadaveric Workshop

Venue: JPNATC FIRST FLOOR, New Seminar Hall, AIIMS Trauma Centre, New Delhi

Time	Session Detail
8:25 to 8:30 am	Brief overview of the previous day-
8:30 to 10:30 am	**Lectures (15 min)** **Moderators:** • **9:01 to 9:15 am:** Endoscopic third ventriculostomy • **9:15 to 9:30 am:** Extended Endoscopic Endonasal Approaches to Anterior Skull Base • **9:30 to 9:45 am:** Extended Endoscopic Endonasal trans clival approach • **9:45 to 10:00 am:** Endoscopic approach to Lateral Skull base (Transpterygoid approach) • **10:00 to 10:15 am:** Skull base reconstruction and complication avoidance • **10:15 to 10:30 am:** Approach to CSF Leaks
10:00 to 10:30 am	Breakfast
10:30 to 1:30 pm	**Demonstration from cadaver lab (30 min each)** **Moderators:** • **10:30 to 12:00 pm:** Extended Endoscopic Endonasal Approaches to Skull Base (Trans-tubercular, trans-planum and trans clival Approach- bony and dural stage) • **12:00 to 1:30 pm:** Lateral Skull base approach (Transpterygoid approach)
1:00 to 2:00 pm	Lunch
2:00 to 5:00 pm	**Delegates Hands-on session (03 hours)** **Moderators:** All Faculty
4:00 to 5:00 pm	High tea
5:00 to 5:10 pm	POSTTEST (10 questions)
5:10 to 5:20 pm	Certificate distribution
5:20 to 5:30 pm	Feedback
