

CADAVERIC WORKSHOP
ON MINIMALLY INVASIVE SPINE TECHNIQUES

19th–20th November 2026

MIS-TLIF & MONOPORTAL ENDOSCOPIC SPINE SURGERY

Topics to be covered

- Monoportal Endoscopic Spine Surgery
- Endoscopic Anatomy & Safe Corridors
- Transforaminal & Interlaminar Approaches
- Foraminoplasty & Neural Decompression
- Endoscopic Discectomy & Sequestrectomy
- Instrumentation, Troubleshooting & Complication Avoidance
- MIS-TLIF: Surgical Approach & Interbody Fusion
- Percutaneous Pedicle Screw Fixation
- Hands-on Cadaveric Practice

Course Faculty

Dr Subodh Raju
Director, Neurosciences, AIG Hospital, Hyderabad

Dr. Asheesh Tandon
Minimally Invasive brain and spine Director, Aditya Superspeciality hospital Jabalpur India

Limited Hands-on Seats: Only 20 are Available

About Workshop

- The Micro-Neurosurgery Society, a premier academic body dedicated to advancing microsurgical and endoscopic neurosurgical techniques, in association with the Department of Neurosurgery, AIIMS New Delhi, and the ACSST Cadaveric Laboratory, proudly announces the Hands-on Cadaveric Workshop on Minimally Invasive Spine Techniques.

- This intensive two-day hands-on cadaveric workshop is designed for **spine surgeons seeking to develop and refine their practical skills in minimally invasive lumbar spine surgery**, with a focused emphasis on Endoscopic Spine Surgery and MIS-TLIF. The workshop will be held on **19–20 November 2026** at the **ACSST Cadaveric Laboratory, AIIMS, New Delhi.**

Prof. Dr P S Chandra
Chairman of workshop

Dr. Deepak Agrawal
Workshop Director

Local Organizing Committee

Prof. Dr P S Chandra
HOD . Neurosurgery, AIIMS, New Delhi
Chairman of workshop

Prof. Dr Deepak Agrawal
Prof. Neurosurgery, AIIMS, New Delhi
Workshop Director

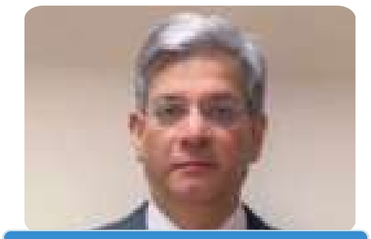

Prof. Dr Dattaraj Sawarkar
Prof. Neurosurgery, AIIMS, New Delhi
Organizing secretary

Dr. Rajesh Kumar Meena
Addisional Professor, Neurosurgery
Organizing secretary

Cadaveric Facility (ACSST)

Prof. Kamran Farooque
Chief, JPNATC & Chairman ACSST Facility
Chairman of ACSST Lab

Prof. Vijay Sharma
Faculty Incharge ACSST

Executive Committee

➤ Prof. Ashish Suri	➤ Prof. Deepak Gupta
➤ Prof. G.D. Satyarthee	➤ Prof. Vivek Tandon
➤ Prof. Pankaj Kumar Singh	➤ Prof. Sachin A. Borkar
➤ Prof. Shashwat Mishra	➤ Prof. Amandeep Kumar Jagdevan
➤ Prof. Rajeev Sharma	➤ Prof. Shweta Kedia
➤ Prof. Kanwaljeet Garg	➤ Prof. Manoj Phalak
➤ Prof. Ramesh Doddamani	➤ Dr. Amol Raheja
➤ Dr. Satish Kumar Verma	➤ Dr. Rajesh Meena
➤ Dr. Santanu Kuma Bora	➤ Dr. Gour Surya Sri Krishna
➤ Dr. Rahul Ray	➤ Dr. Sivaraman Kumarasamy

Key Highlights

KEY HIGHLIGHTS

- Intensive 2-day cadaveric hands-on training
- Step-by-step surgical demonstrations
- Supervised hands-on dissection
- High faculty-to-delegate interaction
- State-of-the-art ACSST cadaveric facility
- Designed for spine surgeons seeking practical MIS & endoscopic experience

ONLY 20 HANDS-ON SEATS
Limited Seats
Early Registration Recommended

Event Category	Fees
Hands-on Cadaveric Workshop	₹30,000
Observer Workshop	₹5,000
